TRANSMITTAL LETTER

In the examiner's office action mailed July 3, 2002, the examiner has refused to consider References AF-AM submitted by applicant with an information disclosure statement on March 1, 2001. The examiner had various grounds for refusing to consider the eight references.

The attached form 1449 re-submits the eight references. Reference AA (U.S. Patent No. 6,397,368) corresponds to previously-identified Reference AF (U.S. Application Serial No. 09/455,186). Reference AB (U.S. Patent No. 6,278,685) corresponds to previously-identified Reference AH (U.S. Application Serial No. 09/377,131). Reference AC corresponds to previously identified Reference AG and corrects a typographical error in the serial number. Copies of the remaining five references (now References AD-AH; previously-identified as References AI-AM) are enclosed; the examiner indicated that copies were missing from the file.
